

"For at the moment the sound of your greeting reached my ears, the infant in my womb leaped for joy. Blessed are you who believed that what was spoken to you by the Lord would be fulfilled." And Mary said: "My soul proclaims the greatness of the Lord; my spirit rejoices in God my savior." --Lk 1:44-47

CATHOLIC SOCIAL TEACHING ON THE LIFE AND DIGNITY OF THE HUMAN PERSON – Every human person is treated in the image and likeness of God. The conviction that human life is sacred and that each person has inherent dignity that must be respected in society lies at the heart of Catholic Social teaching. Calls to advance human rights are illusions if the right to life itself is subject to attack. We believe that every human life is sacred from conception to natural death; that people are more important than things; and that the measure of every institution is whether or not it enhances the life and dignity of the human person.

WE ARE PLANNING to provide opportunities to explore different kinds of prayer forms this year. In the Gathering Space is a binder for you to make suggestions. Please write your suggestion in the binder *even if it has already been noted*. That will help us to determine how many are interested in exploring this new prayer form.

BISHOP'S APPEAL – To date **406 gifts** have been returned with a total of **\$111,134.00**. Thank you to all parishioners who have returned their Bishop's Appeal contribution. Your support and generosity is appreciated.
